**TODAY - 5PM PATRONAL FESTIVAL MASS**

**Welcome**

Everyone to our very special birthday Mass and very much hope you enjoy yourselves. Thank you for coming along and supporting us; your friendship and support throughout the year means very much to us and you are always welcome to come along anytime you wish.

Thank you too for our special guest preacher The Ven Dr Lyle Dennen whose friendship and love goes back many years and it is a great joy to have him with us today.

To our very wonderful Chorus of Dissent for adding to our worship today; somehow, our Patronal wouldn't be the same without you! Also, the musicians whose skill and commitment means so much to us.

**MASS TIMES THIS WEEK AND ELECTRICS**

It was stipulated that mass would not be held in church when works begin on the electrics. However, as works do begin tomorrow, it will start with contractors setting up from tomorrow, therefore, Mass this week will be as normal, before the real works begin, the following week.

**MR & MRS THOMPSON**

Congratulations to Dan and Nancy who were married last weekend, a wonderful event that took place with an everlasting memory. They would like to thank you for the love, prayers and support they have received leading up to their wedding day!

I'm sure we wish them every blessing and our love to them as they embark on a new and exciting journey in their lives together.

**PENTECOST**

Is just three weeks away bringing an end to the Easter Season! We have a very special guest preacher coming on this day!
