APCM

At the recent meeting of the APCM, we agreed that we would review the situation of the vacancy of Church Warden. It is with great pleasure that Antonio has been nominated to take this position, and speaking with Antonio, he is willing to take this challenge on. Antonio will take on this role temporarily until he is officially sworn in at the Deanery event which takes place next month. We hope that we will all encourage and support both Antonio and Norma as they embark on the challenges that we all face. Please offer your prayers for them both.

ELECTRICS

As you can see, the works are now in full swing and there is a lot of disruption to the church building. We are now in the process of receiving the first invoice of about £40K and this is the process whereby the cost of the works will totally wipe us out! However, prayer is what sustains us and in praying what we would like to happen, also means being proactive! We have a long way to go and we can promise that when the works are complete, it will be worth every penny and pound and will indeed, revive our spirits and optimism. Perhaps we should start thinking how we can celebrate together in giving thanks and praise? Perhaps have a party (in the garden with High Tea) in September?

MASS

It is very difficult to hold mass during the week and many have shared how we miss the opportunity of having mass said. Due to health and safety reasons, it is better not to enter church whilst works are in progress and we have to be

WELCOME
