PROJECT

As you can see, the electrics are well under way and we have already received our first invoice! Please be patient whilst works are being carried out, especially with the amount of dust that is present...Of course, the answer to getting rid of the dust is to come along on a Saturday morning and assist in clearing up! There has also been a slight increase in the cost to cover the unseen works concerning the organ loft; outside lighting for the memorial board (when completed); and some outside lighting. This is an excess cost of £5K which the PCC will have to agree, or disagree? Of course, we anticipated to have some kind of contingency works, but we hope this will be the final unseen extras.

It is also very frustrating that there is no mass during the week which I know many of us are missing. It won't be too long before we can resume the midweek mass, but I hope we are continuing to offer our prayers for one another.

DAY TRIP!

It has been brought to our attention that we need to discern as to where we would like to go this year for our day trip out? The day trip committee met and we have come up with 10 options but only using 3! 1) Clacton. 2) Brighton. 3) Hastings.

Please add your name to your preferred destination and the majority ticks will be our destination. We ask for a non-returnable deposit, and monies **MUST** be PAID BEFORE the trip so that we can pay for the coach. Remember, it will be very **Bright** on the day, so wear your hats!
