EASTER DAY

Happy Easter! Welcome to our Festival Mass and participating in the joy of the Resurrection! Weather permitting(!), there will be an Easter Egg hunt for the young people only!

Thank you to the few who worked tirelessly to make the church the way it does; much hard work was carried out in time for the Vigil Mass, and today's Festival. We hope you appreciate the skills and talents of those who volunteered for your benefit.

APCM REPORTS

Reports are now available, and we hope you take a copy to read, and the APCM will take place following Mass on Sunday 1st May. It is your opportunity to ask questions and to get onto the Electoral Role for the church. Light refreshments will be available too!

PATRONAL FESTIVAL

Invitation cards are available, but the printers have apologized for their error, and will be reprinting the new ones for next week! However, we hope that you will encourage others to come to the Birthday Party of the Year; 169 years celebration, and it will be a fantastic event, especially as we have not been able to celebrate for the last 3 years! Do come along and make this event a memorable occasion

THE ORGAN

It is with much sadness, that our organ was due for a tuning, but sadly, the organ tuner identified that the instrument is in such poor condition, that it has officially come to the end of its life. Unfortunately, we are unable to use the organ for any of our services in the foreseeable future; thankfully, our organist is still able to play for us and the use of the piano is the best we can offer at this time. The organ committee are very much on to the issue, and we are working closely with the Diocese on the matter.
