HIGH TEA

In anticipation of writing these notices before the event took place, it is with great thanks for the support that many gave for this wonderful event. It really is one of the highlights of the year, and each time we hold this event, it always brings back the wonderful smile of Mrs Matthew, who went with the angles when she was 100 years old! However, I'm sure we wish to thank Yvonne for the hard work in arranging such an enjoyable feast and we look forward to having another one next year. A great time was had by all.

PCC MEETING

Is today following Mass. This will be the first one after our APCM and we hope all PCC members will be present. There is a recording in the church later today at 2:30, so we hope to be long finished by then. Please ensure you read your minutes.

DATE FOR YOUR DIARY

"EVENINGS AT HOME" is our next big event, which is a concert being performed here in church, on 30th June at 6pm, by our school. We hope that as many as possible will come along to support, especially after the magnificent performance they put on for the Patronal festival. Please do make every effort to support this event, as we hope to have some very distinguished visitors coming along.
