### CONCERT

After yesterday's successful concert, we didn't have the manpower to put the church back to its usual setting, but this week, we will put everything back! It is just a couple of times a year whereby we experience the church looking out of place, but we do benefit from it! This Friday, the Wing Its, will be performing in church with a bar being run, but this will have little impact on us, but all are welcome to attend.

### GARDENS

We hope you like the new look of the Vicarage gardens and the trees being cut back. With the lack of rain, we have been experiencing, the grass is looking very bare! We hope that the trees along the south side will be removed soon, but we are liaising with the school to have access to the premises. The south side is often neglected, but once the trees have been removed, perhaps we can open the doors for better access.

### FRIDAY

It is becoming increasingly difficult to do any notices as we are not involved at present with many social activities. Perhaps during the holidays, we can have a think about "In what ways can we support the church", especially as we come to heat the church during the cold months? Perhaps we can have a revival of a harvest supper? A quiz night? Perhaps you might like to arrange an activity?.
