HM THE QUEEN

It is with great sadness that our Queen has departed from this life, and the thousands of tributes that have poured into the news is overwhelming. The Queen has had a very long life and has been our Queen all our lives, or most of our lives. We commend her back to God after serving the Nation and Commonwealth with gratitude, dignity, leadership, integrity and a deep root in her belief and faith in God, we commend our prayers in thanksgiving and her Soul to be eternally at rest and peace.

Do please leave a message in the Book of Condolence, which we will keep here in the vaults of the church, and the church will remain open for the opportunity for the community to sign.

Long Live the King! May King Charles III lead this nation with the same integrity of heart.

PCC

Had a very good meeting with the Archdeacon; very positive feedback and it was much appreciated that many came to give opinion and support.

ANTONIO

It is very good that we have come today to share in fellowship Antonio who will be leaving us for Mirfield. We hope that you will stay afterwards to say farewell, although he doesn't officially leave us until next Sunday!

SUNG MASS OF REQUIEM; ST ANDREW HOLBORN ON WEDNESDAY 14TH SEPTEMBER AT 7PM

You are all warmly invited to attend. It would be nice if a few of us could go along to show our support. Refreshments will be simple.

CHRISTMAS FAYRE MEETING

A very productive meeting, and great enthusiasm shown. Lots of very positive ideas shared, and over the next coming weeks, you will see how you too can get involved. It looks like we are really pulling the stops out on this one, and I know it will be a very good event when we have it on December 15th 2-4pm!

STEPHEN'S BIRTHDAY – SATURDAY 17TH SEPTEMBER

Will be celebrating another milestone age! Next Saturday will be his birthday party and everyone is welcome to attend; see invitation on notice board.

OCTOBER 1ST - MACMILLAN COFFEE MORNING

In the church hall between 10am-12pm, is a Cancer Research Coffee Morning to raise funds. There isn't anybody here who hasn't been affected by this most dreadful illness, whether personally or know of someone. Please do come along and support, as well as getting to know our community.
